**Mobile Workshop Tours - Home Base Ft. Bend County**

**April 4, 2012**

**8:30 am – 11:30 am**

Get going on a ULI mobile workshop tour, behind the scenes and direct to the developers of some of the most exciting projects in Sugar Land and Ft. Bend County.

**Tour Option #1: Stadium and Airport Tour**—Sugar Land is ready to play ball. This tour takes conference guests to the \$35 million Constellation Field, home of the Sugar Land Skeeters, for a presentation on the new ball club, and update on the Imperial redevelopment, and for a quick fly-by of the Sugar Land Regional Airport.

**Tour Option # 2: Sugar Land Town Square and beyond**—A walking tour of Sugar Land Town Square hosted by Planned Community Developers' Don Janssen goes inside the Civic and Fortune 500 Corporate home base of one of the nation's most successful public + private partnerships. The tour also includes an inside-the-locker-room look Lake Pointe, and the deal structure and development story that is attracting major players to the region's hottest submarket.
